

Remarkable New argus MODEL K

Anniversary Model
Candid Camera

\$19.50

Combines features
never before included
in one camera at...

- New Coupled Exposure Meter!
- New Zone Focusing!
- New Top Loading System!
- New Beauty of Design! All metal, chrome trimmed, leather covered.

Argus commemorates the 100th anniversary of the presentation of photography by Daguerre to the French Academy—with the new Argus Model K Candid Camera! Just a flip of the finger and the built-in, coupled, extinction type exposure meter adjusts the lens opening automatically! Takes sharp, clear pictures, from 3½ feet to infinity, by means of zone focusing... all you do is turn pointer to one of three color-keyed focus zones. Argus Model K has a new top loading system for daylight loading of standard 35 mm. cartridges, an f:4.5 color corrected lens, 1/25 to 1/200 sec. shutter. A beautiful chrome trimmed gift for the most exacting camera fan! See it today at your local Argus dealer's.

- Fast f:4.5 triplet Anastigmat lens
- 1/25 to 1/200 second shutter
- Time and bulb exposure

THRILL your camera-minded friends with the argus CHRISTMAS KIT
